

## Classes.osu.edu updates

Classes.osu.edu has a new look. Use the buttons on the home page to easily search for General Education New or Legacy classes, Graduate Level Classes, or Distance Learning classes. To select a pre-filtered search, simply click one of the icons:

You can then use the additional filters on the right to narrow your results. A scroll bar has been added to the filters for convenience in searching for a Subject, Class Attribute Value, etc.

You can also copy and paste the URL of a specific filtered search and send it to others to search for the same results easily! For example, an advisor could filter by Autumn 2022, Columbus Campus, GE Foundation: Writing and Information Literacy class attribute value, and simply copy and paste the URL at the top of the page to send to a student.
